

Death is coming soon

Will it be true?

Were you good at something?

Andrew was such a great person

Andrew achieved so much in life
and was so inspirational

What were some of your accomplishments?

Andrew, you were loved.

What will your family think of you now you're gone?

We'll miss you.

Andrew, you were the best kind of friend

Who will you be leaving behind?

Will they miss you?

Will you be forgotten?

Andrew who?

What will be your last words?

Write your epitaph that you can live up to.

Here lies
Andrew
